

CADLearning Content Libraries

ABCDEFHILMNPRSTV

A

- Advance Steel
- AEC Collection (includes Revit, Autodesk Civil 3D, InfraWorks, AutoCAD, Navisworks, 3ds Max, ReCap Pro, Advance Steel, Insight, Dynamo Studio, FormIt Pro, Vehicle Tracking)
- Architecture (AutoCAD Architecture or Revit Architecture)
- AutoCAD
- AutoCAD Architecture
- AutoCAD Civil 3D (Now Autodesk Civil 3D)
- AutoCAD Electrical
- AutoCAD Electrical IEC
- AutoCAD LT
- AutoCAD Map 3D
- AutoCAD Mechanical
- AutoCAD MEP
- AutoCAD P&ID (Discontinued and replaced with AutoCAD Plant 3D)
- AutoCAD Plant 3D
- Autodesk BIM 360
- Autodesk BIM 360 Field
- Autodesk BIM 360 Glue
- Autodesk Civil 3D
- Autodesk Fusion 360
- Autodesk Hydraflow Extensions
- Autodesk Mockup 360
- Autodesk Raster Design
- Autodesk ReCap
- Autodesk 3ds Max

B

- BIM 360 (Autodesk BIM 360)
- BIM 360 Field (Autodesk BIM 360 Field)
- BIM 360 Glue (Autodesk BIM 360 Glue)

C

- Cable and Harness (Inventor Professional Cable and Harness)
- Configurator 360
- Character Generator
- Civil/Civil 3D (Autodesk Civil 3D)
- Collaboration for Revit
- C4R (Collaboration for Revit)

D

- Design Review
- Dynamo
- Dynamo Studio (Included in Dynamo library)

E

- Electrical (AutoCAD Electrical)

F

- FormIt/FormIt Pro/FormIt 360 (Autodesk FormIt Pro)
- Fusion/Fusion 360 (Autodesk Fusion 360)
- Finite Element Analysis/Finite Analysis (Inventor Professional Finite Element Analysis)

H

- Hydraflow/Hydraflow Extensions (Autodesk Hydraflow Extensions)

I

- Industry Collections (includes AEC Collection, Product Design and Manufacturing Collection, and Media and Entertainment Collection)
- InfraWorks

- Insight
- Inventor
- Inventor LT (included in Inventor library)
- Inventor Professional (included in Inventor library)
- Inventor Professional Advanced Part Modeling (separate library but part of Inventor Professional)
- Inventor Professional Cable and Harness (separate library but part of Inventor Professional)
- Inventor Professional Finite Element Analysis (separate library but part of Inventor Professional)
- Inventor Professional Tube and Pipe (separate library but part of Inventor Professional)
- Inventor Sheet Metal (Inventor Professional Sheet Metal)
- Inventor 3D (Inventor Professional Advanced Part Modeling)

L

- LT (Revit LT or AutoCAD LT)

M

- Manage (likely Navisworks Manage)
- Manufacturing collection (part of the Product Design and Manufacturing Collection)
- Map/Map 3D (AutoCAD Map 3D)
- Max (Autodesk 3ds Max)
- Maya
- Media and Entertainment Collection (M&E) (Maya, 3ds Max, MotionBuilder, Mudbox, ReCap Pro, Sketchbook, Character Generator)
- MEP (AutoCAD MEP or Revit MEP)
- Mockup (Autodesk Mockup 360)
- Mockup 360 (Autodesk Mockup 360)
- MotionBuilder
- Mudbox

N

- Navisworks/Navisworks Manage/Navisworks Simulate (included in Navisworks library)

P

- P&ID (AutoCAD P&ID – discontinued and replaced with AutoCAD Plant 3D)
- Plant/Plant 3D (AutoCAD Plant 3D)
- Product Design and Manufacturing Collection (includes Inventor, Vault Basic, Fusion 360, Navisworks, 3ds Max, ReCap Pro)

R

- Raster Design (Autodesk Raster Design)
- ReCap/ReCap Pro/ReCap 360 (Autodesk ReCap)
- Revit (includes Revit MEP, Revit Structure, Revit Architecture, and Revit LT)
- Revit Architecture (included in Revit library)
- Revit LT (included in Revit library)
- Revit MEP (included in Revit library)

S

- Sheet Metal (Inventor Professional Sheet Metal or Autodesk Fusion 360)
- Showcase
- Simulate (likely Navisworks, but there is a Simulation environment in Fusion 360)
- SketchBook
- Steel (Advance Steel)
- Storm and Sanitary Extension (separate library but part of Autodesk Civil 3D)

T

- 3ds Max/3D Studio/3D Studio Max (Autodesk 3ds Max)
- Tube and Pipe (Inventor Professional Tube and Pipe)

V

- Vault
- Vault Basic
- Vehicle Tracking
- VRED Professional
